

Calibre UK Ltd

Calibre was established in 1988 and is respected World-wide for providing image scaling technology for use with large LED video walls primarily used for Concerts, Award Ceremonies, Rental/Staging and Advertising and for image scalers for professional projection applications. Calibre is a highly effective OEM partner to many well-known companies in specialist markets, providing customised image scaling and processing solutions

As a market leader in innovation Calibre will continue to utilise its own in-house hardware and software design teams for all product development with technology centres in Bradford, UK and Hannover, Germany and its manufacturing facility in Bradford, UK. This enables Calibre to optimise product performance and retain an unusually high depth of technical knowledge of design and innovation.

The Parent Company is Coretronic Corporation with its Head office in Taiwan
